

EUROS

Palermo, March 16-18

2006

The European Robotics Network (EURON) is proud to present the first European Robotics Symposium (EUROS). This symposium is a response to demands for a high-quality scientific event to present the best research on robotics across applications and topics. EUROS 2006 is organized by Dipartimento di Ingegneria Informatica of the University of Palermo.

EUROS-06 Organisers

General Chair: Henrik I Christensen, KTH

Local Chair: Antonio Chella, UNIPA

Senior Program Committee:

Antonio Bicchi, UNIPI
Hendrik van Brussel, KUL
Martin Buss, TUM
Alícia Casals, UPC
Raja Chatila, LAAS
Jorge Dias, ISR-UC
Rüdiger Dillmann, UKA
Paolo Dario, SSSA
Frans Groen, UvA
John Hallam, MIP

Gerd Hirzinger, DLR
Christian Laugier, INRIA
Jadran Lenarcic, IJS
Angel Pobil, UJI
Bruno Siciliano, UNINA
Roland Siegwart, EPFL
Hirochika Inoue, AIST
Oussama Khatib, Stanford
Matt Mason, CMU
Sukhan Lee, Korea

ROBOTICS AND SYSTEMS
